

ST. JOSEPH CATHOLIC SCHOOL

Building Wisdom and Faith Through Service to God

Signing into SJS account using MacBook

Introduction

Accessing your school's Google account on a MacBook allows you to utilize educational resources and tools. For the best experience, it's recommended to use the Chrome browser for compatibility and features. Follow these steps to sign in and download Chrome for your SJS account.

Precaution

For the best experience, it's recommended to use the Chrome browser for compatibility and features. Follow these steps to sign in and download Chrome for your SJS account.

Ensure you do not sign child under parent or other Google account and make sure students create their own SJS Google profile
