

Schoology Single Sign-On (SSO)

St. Joseph Catholic School · Parent Technology Instructions

We use Single Sign-On (SSO) for both Schoology and Discovery Education to make logging in easier for students. Students access these platforms directly from the **SJS Bookmark Bar** in Chrome. The steps below guide students and parents through the login process.

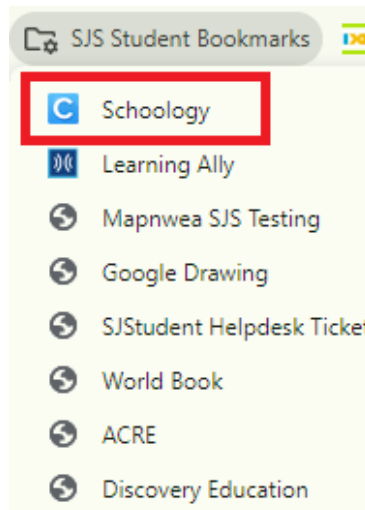

Before you start

For SSO to work, students **must** be signed into Chrome with their **SJS Google account**. If not, sign-in will not authenticate and Schoology may not open. Need to set that up? Follow our **Google account sync guide** on the portal's Documentation page:

sjhelpdesk.sjschoolva.org/documentation.

Sign in through the SJS Bookmark Bar

- Open **Google Chrome** (make sure your child is using Chrome and their SJS profile).
- Locate the **SJS Bookmark Bar** at the top of the browser and click **Schoology**.

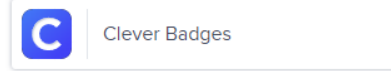

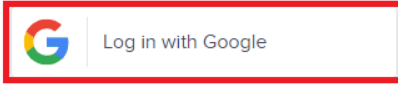

SJS Student Bookmarks — click Schoology

- The Clever login page appears — click **Log in with Google**.
